

USATF TRAIL HALF MARATHON NATIONAL CHAMPIONSHIP!

Moab Trail Half Marathon: Saturday Nov. 2nd, 2024. 10am. Moab, Utah

We are thrilled to host the 2024 USATF Trail Half Marathon Championship!

This event is open to all runners. Overall and age group titles will be awarded.

This is your chance to earn the title of Trail Half Marathon National Champion!

Criteria/Rules:

- You must register for the Moab Trail Half Marathon and choose the 10am Championship wave.
- You must purchase or renew your membership with USATF, which can be done on the USATF website.
- You must include/add your USATF number to your Moab Trail Half Marathon registration information.
- When you pick up your race packet you will also get a 'back-bib' (in addition to your 'front bib'.) The back-bib will indicate whether you are an 'open' runner (under 40) or your age group. Pin the number on your back so those behind you can see it.
- You must start in the Saturday 10am wave with the other USATF runners.
- Note that your placement in the race will be based on 'gun time' not 'chip time'.
- USATF medals will be given out to USATF members as follows: top 10 overall male/female and top 3 male/female in 5-year age groups starting with 40-44 up to 75+ and the Jr National Champions (18 and under).
- Additionally, \$6600 in prize money will be awarded to the top 5 overall m/f and top masters finishers as follows: top 5 overall M/F— 1st: \$800, 2nd: \$650, 3rd: \$550, 4th: \$450, 5th: \$350 and top m/f masters: \$350 and grand master: \$150.
- Additionally, participants will be eligible for the Moab Trail Half Marathon age group awards, which will be awarded to the top 3 m/f finishers (usatf members or not) in 10-year age group increments starting with 0-9 up to 80-89. These awards will be based on chip time, not gun time, so note that runners in waves behind you will also be eligible for these particular prizes.
- The USATF awards ceremony will be at the stage area at 1:30pm.
